EXPERIENCE

Tal Catran | Independent Consultant and Speaker 2012-Today

Founded my own business as a consultant to startup's founders, SMBs owners, as well as senior executives in enterprises, utilizing my personal business experience, to assist, guide and execute marketing, business development, sales, marcom, raising resources and funds in particular

Establishing and managing 17 accelerators since 2012, I have established as well as manage, accelerators in a variety technology clusters. I have also partnered with Tech Parks in several countries, assisting with management team building, mentoring startups and companies as well as creating international collaborations and partnerships.

International keynote speaker, Moderator & Panelist traveling worldwide to lecture and mentor business communities and startups ecosystems as well as conducting professional workshops on startups related topics.

Angel Investor in tech startups as well as taking an active role of chairman or board member, targeting managerial decision and brainstorming with acting CEOs and all aspects of business development and marketing

Consulting Top Management of Hi-Tech companies over 12 years, especially in Homeland Security, Cyber Security, IoT, Digital Health, Smart Cities, Blockchain, Drones eCommerce, 3D printing, industry 4.0, Retail and Fashion etc.

Professional Mentoring to Startups of different maturity stages, from early stage to deployment and fund raising (Angels, VCs, Corporate). Mentoring include workshops as well as 1 on 1 sessions, developing a visible business model, storytelling and pitch technics

Commercialization services in cooperation with universities and international hubs, accelerators and incubators, utilizing my international network and scouting services

Mentoring Tech Parks, Innovation Hub and accelerators in several countries, including team building and training, skills development and professional conduct
